

Make a Difference

Hermannsburg School

FUTURE PLANS FOR BENEFACTORS' CONTRIBUTIONS

We would like to effect upgrades to the boarding establishments, the classrooms and the transport fleet. The dining rooms need a face-lift and the sports facilities would do well with an injection of funds. As we all know IT equipment dates very quickly and the school is in constant need of upgrades to keep up with modern trends. Scholarships and bursaries could be funded by benefactors' contributions.

Please feel free to contact John Pope or Stella Cockburn (pro@hmbschool.co.za) if you would like further information on the planned projects which form part of the "Make a Difference Campaign".

INTO THE FUTURE...

We are proud of our heritage and see a great responsibility in taking the school into the future, maintaining the high standards that we have inherited from our founders. We invite you to be part of this responsibility by becoming one of the benefactors of the "Make a Difference Campaign". It is only through the support of those who have gone before us, that we are where we are today, we stand proud among the finest schools in South Africa, now it is our turn to take the school into the future, for the next generation to benefit and in turn to take over from us one day.

OUR SUCCESSES

The school prides itself with its outstanding matric results and our past pupils are influential in a wide spectrum of fields in all walks of life; they can be found in leading positions in academia, agriculture, the arts performing and visual, adventure sports, business, politics, medicine, the church, and many others.

WHO WE ARE

We are an English-medium co-ed country boarding school, that offers young South Africans the invaluable opportunity to enjoy an appropriate education in secure and beautiful surroundings.

Hermannsburg's matric results are a constant reminder of the high standards maintained by the school. This high academic standard is complemented by the comprehensive extra-mural programme, which includes sport, music and outdoor activities.

Christ is the centre of our school family where we live, love and learn together!

We invite you to become part of our benefaction programme, in order to keep improving our beautiful school together. Thank you.
